Count back Rules

- In an 18 hole competition a count back matching cards is used to determine the winner using the last 9 holes. If there is still a tie, then the last 6, then the last 3, then the 18th hole are used.
- In competitions greater than 18 holes a count back matching cards is made using the last 18 hole score. If there is still a tie then the last 9, 6, 3 or 1 hole(s) of the 18 hole score are used.
- In all cases, if the tie is then still unresolved, then a hole by hole count back of the last nine holes starting at the 18th hole should be made. If there is still a tie after this procedure then the result shall be decided by lot.
- In handicap stroke play competition, one-half, one-third, one-sixth, etc of the course handicaps should be deducted proportionately, for example 9 holes – one half, 6 holes – one third, 3 holes – one sixth etc. *Fractions should not be disregarded.*
- If there is a multiple tee start, regardless of the starting hole, the last nine holes, last six holes etc is considered to be holes 10-18, 13-18 etc.
